As alumni, you are a part of an extended network of people who share a common bond of improving lives in their communities and abroad and are valued members of the Rotary family.

Rotary alumni are individuals who have experienced Rotary through various programs, including:

- Ambassadorial Scholars
- Group Study Exchange and Vocational Study Exchange team members and leaders
- Interact

*"Your connection to Rotary doesn't end after your program; it's just the beginning. You are instantly plugged into a global network of influencers, community and business leaders, people that have immense resources to help you create and foster change throughout your career. So many doors have been opened to me because I'm affiliated with Rotary."
— Andy Stoll, past Rotary Scholar*

*DG Richard Green
District Governor
Rotary District 1210
2015-2016*

It is my very great pleasure to give my enthusiastic support to the work being done by Beverley and Bob in the revitalising of the Rotary International District 1210 Alumni Association.

Rotary is the world's biggest voluntary service organisation with a terrific track record of helping disadvantaged people at home and abroad. As well as that service, we know that our young people are very special, giving us hope for a bright tomorrow -and that's where you come in!

You've all shared in the many projects that we run for our stars of the future – Interact clubs, Rotary Young Leaders Awards (RYLA), Group Study Exchange (GSE), Scholarship Programmes, Youth Exchange, and now, our

new, pioneering programme Vocational Study Exchange (VSE).

This latest addition to our programmes enables 4 ambassadors, with a Rotarian team leader, to travel abroad to study their vocations, staying in Rotarian's homes and enjoying many wonderful experiences. This year, the trip is to Norway and we are planning similar exciting ventures in the years ahead – we'll be looking for team members, so keep your eyes open for the call for recruits on the Alumni website.

I look forward to being involved closely with the Alumni Association and to meeting some of its members.

Happy Rotary!
District Governor Richard.
