

I am delighted to invite you to join me at our District Conference 2019 in Bath Assembly Rooms. The theme of our Conference will be "Rotary Works."
It works for us - the individuals, for you and your clubs and the communities in which we operate, through Rotary's great national and international projects which we promote and support.

This conference coincides with International Peace Day and this will be emphasised by some of our speakers, recognising how Rotary brings support and peace to individuals in their home, local communities and worldwide conflict areas.

Our speakers will suggest how we can focus this activity in our club areas

We'll aim to bring entertainment, information and opportunities whilst promoting fellowship and having fun making a difference.

I am looking forward to welcoming you all to this new District venue - the exciting Georgian Spa City of Bath and feel certain you will go away refreshed, rejuvenated and inspired to make "Rotary Work."

Brian Reilly (RC Aldridge)
District Governor 2019-2020.
