

March is Rotary Literacy Month

It's thanks to the incredible work that so many people do for Rotary Books4Home that we're able to continue to reach more and more young people. We're so grateful to everyone who has put time and effort into supporting Rotary Books4Home.

With your help we can continue to give some of the neediest children in District 1210 a book of their very own, to read, take home and keep for ever.

Thank you to everyone for your support
