ROTARY:  
MAKING A  
DIFFERENCE

### A Message From District Governor Carol Reilly

Hi Everyone,

Welcome to the December Newsletter, December is Disease Prevention and Treatment Month.

I can see that you are all pushing ahead with your projects and fundraising for the Christmas Season. Through this edition you will see a mix of news from Rotary International and Rotary in Great Britain and Ireland as well as examples of how Rotarians in D1210 are "Making that Difference", whilst having lots of FUN and FELLOWSHIP. I would like to acknowledge all the New members and newly awarded Paul Harris Fellows this month.

Can I first and foremost Thank you for the warmth and welcome given to me, as I continue my visits to you all. Congratulations to the RC Blythe Bridge & District on their 30th Charter. Thank you to RIBI President Denis for attending this auspicious occasion. The speaker brought back many happy childhood memories as we even sang 'Pratty Flowers' The Holmfirth Anthem. Congratulations also to the RC Telford Centre on their 25th Charter.

I enjoyed the fun and fellowship with the RC Stafford Castle at their Firework Extravaganza. An excellent event for the community, especially the

children as they looked amazed at the fireworks. The Brass Band concert with the RC Wednesfield was a superb occasion. It was invigorating helping the RC Cannock at their 10k Race and the RC Burntwood marshalling for the Christmas Pudding Run in the snow!! Well done to all involved.

Congratulations to the RC Stafford and Honorary Rotarian Beverley Ricketts on the opening of a new school library through the Books4Home Project. A memorial for a well loved Teaching Assistant in the school. The children were inspiring as they talked of the project and paid tribute to someone they valued very much.

Thank you to you all for your support of the British Legion, I know many of you partner with them at this time of year. It was a privilege to join my own Club at the cenotaph in Walsall and lay a wreath on behalf of the District to honour Rotarians who have gone to higher service.

It has been a pleasure to be at the induction of a few new Rotarians this month. Enjoy your Rotary, having Fun and Fellowship with fellow Rotarians and your community.

I look forward to joining Clubs for their Christmas Concerts and supporting your projects over this Christmas season.

May I take the opportunity to wish you and your families a happy, peaceful, Christmas and New Year.

Looking forward into the New Year and January being Vocational Service Month.

I shall be joining a number of Rotarians from across RIBI but taking part in the New Year's Day Parade in London.

The Purple 4 Polio Rally will be coming through D1210, 21st – 24th May, please think of a suitable venue within the District to showcase and man, giving membership and public image opportunities.

**RIBI President Denis is in the District at the end of January for his official visit, please do contact me with your projects, in order that I can plan his programme.**

If there is a Club that would like to help organise the Rotary Family Fun Day May/June, please do get in touch.

Whatever motivation each of us had into joining Rotary, it is the satisfaction we find that causes us to remain, the satisfaction of knowing that week by week, year by year, **"we are part of Rotary: Making a Difference"**.

Carol.

## **Common Age Schools Competition**

Dear Fellow Rotarians

Some of you are aware that I am involved in a new Commonwealth wide organisation called CommonAge which celebrates the contribution made by older people across the Commonwealth and seeks to support those providing care and support, particularly in poorer countries. Next year, 2018, sees the Commonwealth Heads of Government conference taking place in London and CommonAge is privileged to now being part of the small number of accredited organisations that will be attending. As part of the celebrations for next year's CHoG conference, widely thought to be the last that HM Queen will attend, CommonAge launched a competition aimed at school children to write stories about the elders in their communities and for the best contributions to be published in a book that will be presented to HM Queen at the conference.

I was really hoping that Rotary could help publicise this event, although sadly I have had no response from RIBI but I would really appreciate if our District 1210 could promote this event through our contacts in to schools

Are you able to help?

Kind regards

Mandy Thorn MBE

They go above and beyond to help make a difference to the lives of other people, putting the needs of others before their own to bring about change."*

## ***Together We Are The People of Action:***

Rotary's new global public image campaign, called People of Action, was launched at the start of this Rotary year.

The campaign looks to bring the stories of Rotary members to life and show those who don't know us exactly who we are, what we do and how Rotary differs from other organisations.

A suite of print materials has been created for Rotary clubs in Great Britain and Ireland, which are now available to order from the online shop.

### **These include:**

- New Member Welcome Guide
- Prospective Members booklet (A5)
