Dear Club Sports Officers and Sports Coordinators

Re: District 1210 Summer Sports Competitions 2020

As usual the winter sports competitions will be completed by the end of March so may I take this opportunity to thank all clubs that have entered and congratulations to all the finalists

Can I therefore invite you all to take part in the forthcoming 2020 Summer Sports Competitions?

The summer sports competitions will be the same as previous years, Croquet and Crown Green Bowling. Remember these are summer sports so when entering please take into consideration holidays, and other Rotarians sports commitments.

I have attached a pro forma for you to complete and return to me no later than the 3rd March 2020. Forms will not be accepted after this date as will any other expressions of interest. The draws for the competitions will take place in early March for first rounds to be completed by the 30th April, if required to play in the first round. The draws are time consuming so your co-operation will be greatly appreciated.

All rules and regulations are in the current rules and regulation book previously circulated. Remember only Full club and Associate Rotarians qualify to play, not honorary members, Friends of Rotary etc.

If you have an email address and it is not listed in the District Directory please let me have it as it makes communication with all the other clubs a lot easier.

From information supplied in the District handbook this email and letter is being sent to all Club Secretaries, club Sports Officers and Sports Coordinators so if you are not the Sports Officer of your club please pass this to the relevant person and ask them to contact me.

My Contact details are: - Email simonwsims@aol.com

May I wish all clubs the best of luck

Yours in Rotary Sports
