**...helping kids grow  
into responsible citizens**

RotaKids is a fun and exciting way for children aged 7-12 to make friends and get involved with important activities in the community, all while having a great time in the process.

RotaKids brings an exciting and practical approach to supporting the citizenship element of the national curriculum. By doing so, children enjoy a boost to their confidence and self-esteem at a key age and develop and understanding of how their actions can impact on others.
