Ukrainian Refugee Children - KidsOut Toys

In receiving a number of enquiries relating to the possibility of KidsOut supplying/providing 'Toys' for Ukrainian Refugee children, please note the following:

As we head towards this year's Festive Season, Rotary KidsOut focus and priority is to support the Rotary Christmas Toy Box *initiative* **'Every Refuge, Every Child'** - A Rotary Christmas Toy Box for every child residing in a 'Domestic Violence' Refuge at Christmas. £25 buys a ToyBox of over £80 of toys for a Child in a refuge place.

We have 380 registered places in D1210 and need your help to cover the children in our area from Ludlow to Whitchurch and Dudley to Leek. Donations from clubs to the District Treasurer marked Rotary1210(KidsOut) and your club Name 40-41-30 21417495 can be made upto December 10th in time for Christmas

However, noting the current efforts throughout Rotary GB&I in supporting Ukrainian refugee families as they seek to make the UK their new home, the KidsOut charity are in a position to supply an individual toy (not a Toy Box(s) for Ukrainian Refugee children. This would be assessed upon individual applications only, noting the child/children's age and gender accordingly.
